## Everlife Urethane Enamel

Everlife Urethane Enamel is a durable, rust inhibitive enamel for use on substrates requiring a beautiful gloss look and unsurpassed protection. This enamel dries quickly to a tough high gloss finish, and applies easily with brush, roller or spray.

- Unique colored urethane finish
- Tough and durable rust inhibitive finish to metal
- Substrates including heavy use equipment and machinery
- Suitable for foot abrasion in commercial/industrial environments including steps, landings and decks
- Interior and exterior use
